How I am paid

As the licensee, Consultum collects all advice fees and commissions. Consultum then pays the fees and commissions to my Practice as detailed in the FSG under the heading 'How we are paid'. My Practice pays me out of these fees and commissions based on a number of factors such as:

- **Salary** – based on my experience and qualifications.
- **Bonus** – I may be eligible to receive a bonus, based on a combination of revenue and meeting pre-determined annual performance-based criteria.
- **Profits** – I may be eligible to receive a percentage of profits from the Practice.
- **Commissions** – as outlined in the FSG under 'How we are paid', the Practice may receive commissions from a product provider when implementing certain product/s for you.

Client fee and payment options

Before providing advice, we will agree the fees and payment options with you. The fee you pay will depend on the complexity of your circumstances and the services you require. Your options to pay for our services can include fee for service, commission, or a combination of both.

Fee for service: Fee for service is based on the service we provide. This fee can be determined by:

- An hourly rate.
- A fixed dollar amount.
- A percentage of funds invested (excluding borrowed funds).
- A combination of these methods.

We can invoice you directly for our fee for service. Alternatively, some products allow an adviser service fee to be deducted from the balance of your investment.

Commissions: Some product providers pay commissions to Consultum. The amount of commissions received will depend upon the type of product and the premium paid.

Important relationships

In addition to the arrangements already disclosed in the FSG under 'Important relationships and other payments', A.M.A Services (WA) also has the following arrangements:

Referrals from a third party

We have arrangements in place to pay a referral fee, commission, or other benefit to certain third parties when they refer new clients to us. Our current arrangements for referrals from a third party are set out in the table below and specific details of any benefit we provide in relation to our advice to you will be included in the advice documentation we provide to you.

Table - Details of arrangements for referrals from a third party:

Name of referral partner	AMA Victoria
	AMA South Australia
	AMA ACT
	AMA Tasmania
	ADA Western Australia
Payment we provide	Referral fees are calculated on a tiered revenue share basis. The full details of the referral fee will be provided in your individual Statement of Advice. The referral fee will be paid only if you proceed to obtain personal advice from AMA Financial Planning and we earn revenue from the delivery and execution of this personal advice.
Example	If Mr Smith was referred and charged \$2200 for advice fees, and the tiered revenue was 10%, the relevant (above) partner would be paid \$220.

Referrals to a third party

At present we do not have any referral arrangement in place to provide referrals to third parties in return for payment or other benefit. If this changes, we will make you aware of this prior to providing advice, or further advice, to you.
